

A Heritage of Love in Mission

Dear Friends,

As we celebrate fifty years of mission in the Philippines and Colón, Mexico, we pause to marvel at the faithfulness of God—Father, Son, and Holy Spirit—who has brought forth such abundant fruit through the hands of Our Lady. **Our heritage is one of humble service, lived in communion with the Church under Mary's maternal care.** With heartfelt gratitude, we thank our friends and benefactors whose love and generosity have sustained these missions. May Our Lady continue to guide us to **make her Son known and loved in every place we serve.**

Witnessing God's Faithful Love: SOLT's Jubilees in Asia and Mexico

This past year I had the wonderful privilege to be in attendance for two great 50th Anniversary Jubilees: **The 50th Anniversary of the founding of our SOLT Asia-Pacific Region and the 50th Anniversary of Santa María del Mexicano in Colón, México**, founded in 1975 and served by SOLT since 1985. What an honor to witness God's faithful love to His people in these tremendous missions! Our SOLT Priests, Sisters and Laity have tirelessly served the poor and the lowly in the **Philippines, Thailand and Papua New Guinea** through parish ministries, retreats, food programs, and education. The landmark

On October 25th, our SOLT Team in Colón, **México also celebrated its 50th Anniversary** with a Mass, cultural presentation and meal. The Bishop of the Diocese of Querétaro, His Excellency, Fidencio López Plaza was the main celebrant of the Mass with numerous SOLT Priests, Sisters and Laity in attendance. **This mission consists of 5 houses which care for poor and vulnerable children and elderly, providing food, clothing, shelter, education and spiritual nourishment.** The children sang, danced and gave witness to how Santa María del Mexicano has positively impacted their lives. Our SOLT Sisters have been an integral part of the success of this mission and it was a blessing to have Sr. Mary Teresa Pacheco present who had served for over 30 years in the mission.

Please continue to pray for our SOLT teams in these beautiful places of service to God's precious children.

Magnificat Night

On October 3, 2025, SOLT Sisters in nine different convents across the United States, Mexico, Guatemala and Belize hosted their first Magnificat Night. **Over 100 women** 16-30 years old participated in the evening, which included praying vespers together, enjoying dinner, and a brief reflection on vocational discernment. Please **continue to pray for all the young women** who attended as they continue their discernment of God's will in their life!

"My soul proclaims the greatness of the Lord!"
